The Maryland Department of Health and Mental Hygiene's Cigarette Restitution Fund Cancer Prevention, Education, Screening and Treatment Program is conducting a Webinar on **Monday, June 17, 2013, 10:00 a.m.—11:00 a.m.**

This webinar will focus on the **Diagnosis of Serrated Polyps of the Colorectum for the Pathologist.**

**William S. Twaddell, M.D.**, Assistant Professor of Pathology at the University of Maryland Medical Center, will be the presenter.

Following this webinar, participants will:

- be familiar with the clinical features of serrated polyps of the colon and rectum;
- be able to describe the histopathologic features of serrated polyps;
- be familiar with the molecular features of serrated polyps;
- be aware of diagnostic difficulties regarding serrated polyps; and
- be familiar with the follow-up of serrated polyps.

Participation in this webinar is *free*; however, **registration is required**. Due to technological constraints this webinar is limited to 45 Login locations. Participants from the same facility are asked to participate from one Login location so that we may accommodate the maximum number of participants possible. Slides for the presentation will be broadcast via the Web; audio will be via telephone, so Internet access and a telephone line are necessary.

Please complete the attached registration form including information for all participants from your site. Upon receipt of your registration, a confirmation including Login information will be sent to the primary contact identified for your location. Please return completed registration forms via mail, e-mail, or fax to: Kelly Kesler, Center for Cancer Prevention and Control, 201 W. Preston, 4th Floor, Baltimore, MD 21201, [kelly.kesler@maryland.gov](mailto:kelly.kesler@maryland.gov), 410-333-5210 (fax).

We look forward to your participation. If you have any questions, please don't hesitate to contact me at 410-767-0789 or [eileen.steinberger@maryland.gov](mailto:eileen.steinberger@maryland.gov).

Sincerely,

*Eileen Steinberger*
