

Maryland Comprehensive Cancer Control Plan
Skin Cancer Committee
February 17, 2010, 10 a.m. - 12 p.m.
Maryland DHMH (201 W. Preston), Room L-2 (Lobby Level)

Chair: Dr. Nanette Liégeois, Johns Hopkins University, Department of Oncology

MEETING SUMMARY

<u>AGENDA ITEM</u>	<u>DISCUSSION SUMMARY</u>
EPA – SunWise Program	<ul style="list-style-type: none"> • See Handout - Linda Rutsch spoke about the program • EPA SunWise Program provides a free tool-kit to schools • Conducts a pre/post test with students • Program has been shown to be effective - will provide articles showing evidence of effectiveness • More than 940 educators in 26 counties have registered for the program since May 2000 (all schools on list may not be currently active)
Review Information/Data Assigned	<ul style="list-style-type: none"> • See Handout • Given evidence on tanning addition – enough evidence to recommend against artificial tanning • There have been recent developments re: tanning bed policies in Maryland; R. Herbst will forward this information to the group. • Will work with other chapters re: including information on health risk behavior
Review/Finalize Goals, Objectives & Strategies	<ul style="list-style-type: none"> • See Draft Goals/Objectives/Strategies • N. Liegeois will look into additional evidence for the following: <ul style="list-style-type: none"> • Screening (by physician/self) • Sunscreen effectiveness • Vitamin D (Gilcrest article)
Finalize Sections of the Chapter	<ul style="list-style-type: none"> • See Chapter Outline (below) – this shows which drafts have been sent in thus far • Note: include information on melanoma occurring in areas other than skin (under finger nails, eyes)
Assignments	<ul style="list-style-type: none"> • R. Herbst provide policy information re: tanning in MD • Review Draft Goals/Objectives/Strategies and write list of critiques of strategies; if you make a critique, provide a suggestion; send information to S. Conolly Hokenmaier by March 9th • Continue to work on section drafts according to assignments on Chapter Outline (below); Send drafts of assigned chapter sections to S. Conolly Hokenmaier.
Next Meeting	<ul style="list-style-type: none"> • March 11th, 10 a.m. - Noon • Will finalize the Goals/Objectives/Strategies and review chapter drafts
