

Maryland Home Visiting State Plan

Next Steps

Home Visiting Stakeholder Meeting

November 10, 2010

WHO are our partners?

Governor's Office for Children

Center for Maternal and Child Health

Maryland State Department of Education

Alcohol and Drug Abuse Administration

Maryland Family Network

Department of Juvenile Services

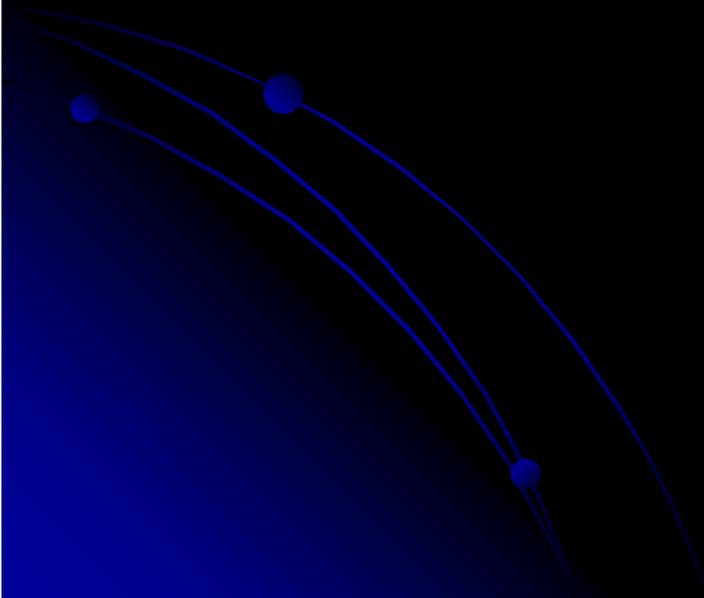

WHAT did we look at?

Data and Capacity

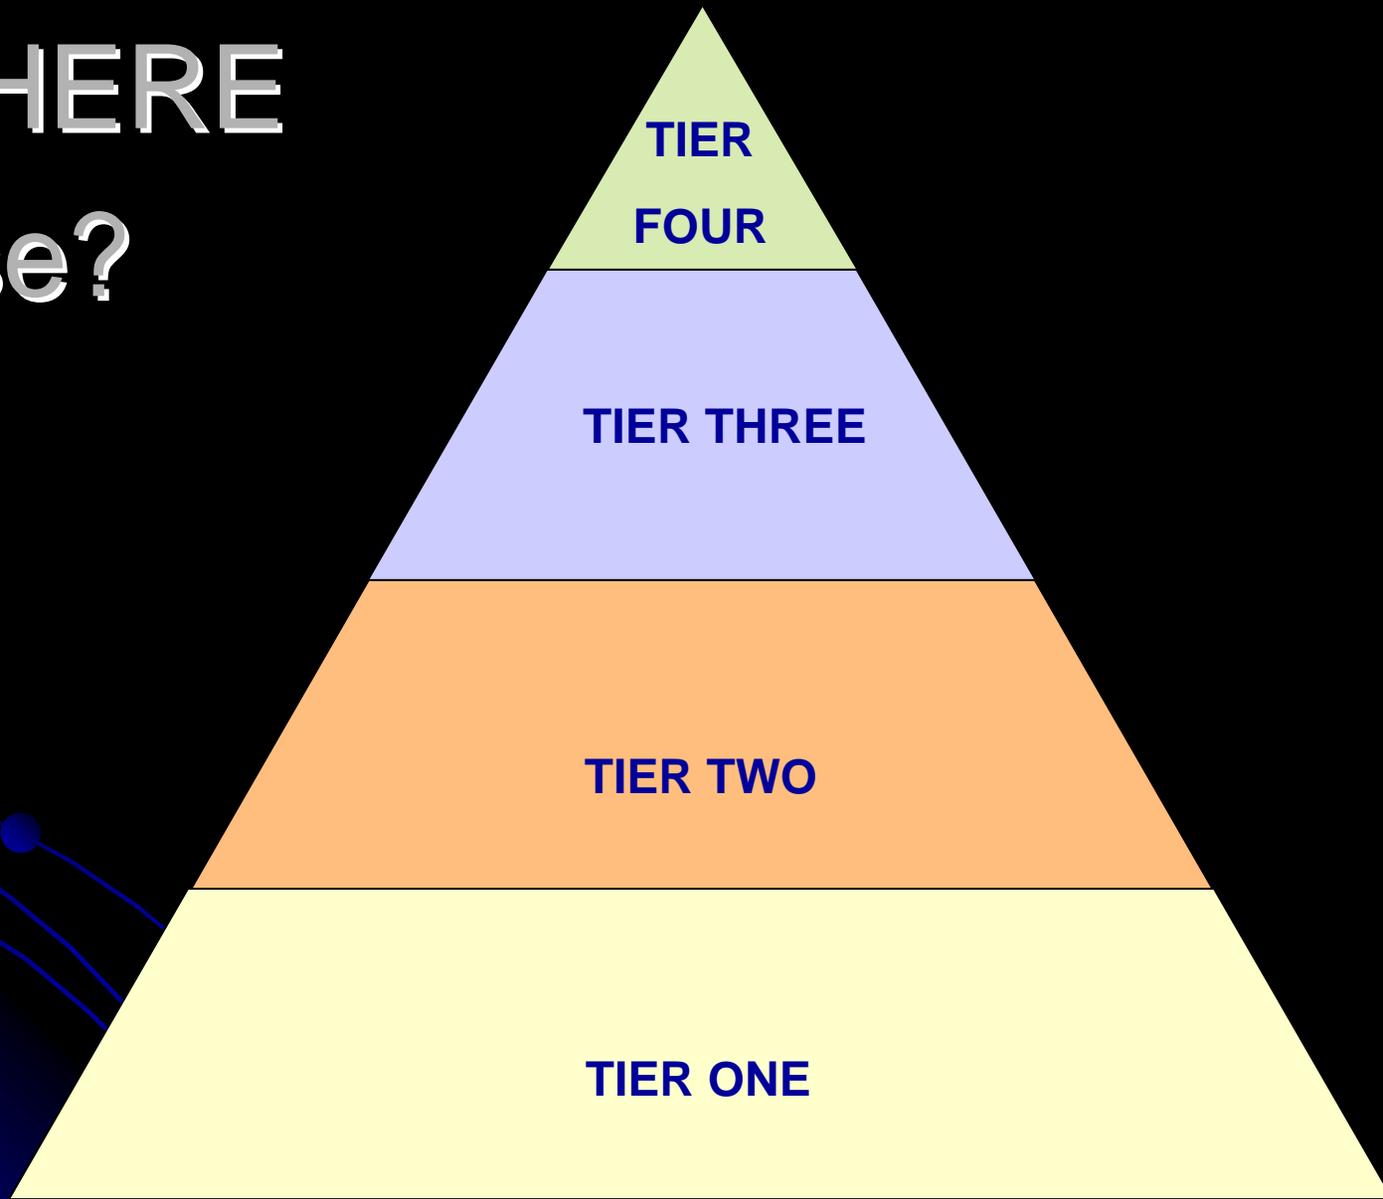

WHERE did it take us first?

46 communities identified at elevated risk for poor outcomes.

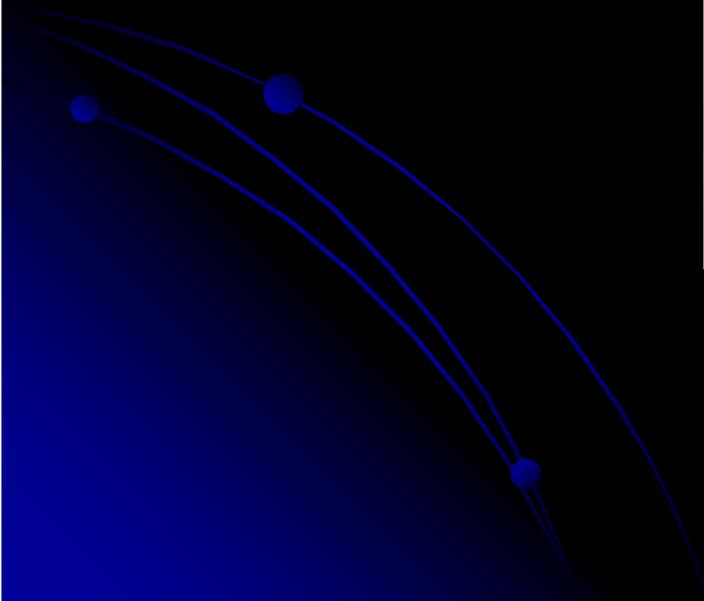

WHERE
else?

WHEN do we move to action?

Maryland plans to address the home visiting needs of eligible individuals in at-risk communities by submitting a Comprehensive State Plan for Section 2951 of the Patient Protection and Affordable Care Act.

HOW are you involved?

Break Out Session

1. Review materials to be used
 2. Break out into regional groups
 3. Assist the facilitator with note taking
 4. Report out to the larger group
