DIRECTIONS

TARGET POPULATION CHART:

Sample Explanation

In one month, Center X conducted a total of 5 sessions with 100 staff from a local college/university on the topics of the role of alcohol and drugs in rape, sexual coercion and healthy relationships. A pre/post test was administered and 80% of session participants increased their knowledge of sexual violence prevention.

Professional Groups

- Indicate the total number of individuals from the particular professional group attending and the total number of sessions held.
- Indicate the topics covered (list by name). **Approved topics are listed on the second page of the report. Any topics listed under "Other" MUST be prevention-related.**

General Public

- Complete in the same manner as the professional groups section indicated above.

Male-focused Activities

- Indicate the number of activities, sessions and/or events that were intended to engage men as allies in the movement to end sexual violence against women; that resulted from collaboration with organizations/agencies in your community that target boys, young men, and adult men; and/or that entailed challenging male stereotypes and gender roles (*including male-only educational sessions and events such as Walk a Mile and the White Ribbon Campaign*)

Demographic Information

- Indicate the demographic make up of session audiences by checking the appropriate boxes.

INFORMATION MATERIALS CHART:

- Indicate the type(s) of materials developed/distributed, the number of materials distributed, the language used, target audiences, and topics covered. Indicate all that apply.
- Again, any topics listed under "Other" MUST be prevention-related.

RPE HOTLINE SERVICES CHART:

- Complete the 'Hotline Services' section **only if** RPE funds are used to service the hotline.

GENERAL TIPS:

- When an audience can be classified under two categories, e.g. middle schoolers at a church event, "students" trump. It is more informative for us to know how many *children* are receiving education.
- Please remember to sign and date the form.
- Please indicate GOCCP grant agreement number for the activities reported on these forms.
