

**Recommended Educational Materials to be Distributed
to Parents During Child Safety Seat Appointments/Check-up Events**

*To ensure MD CPS technicians provide consistent, up-to-date information throughout the state, KISS strongly recommends that the following materials be handed out for each child safety seat appointment/checkup event. **If Maryland State Seat Check Forms are used, the materials marked with "XX" MUST be distributed.** These materials can be ordered free of charge from KISS or the Maryland Highway Safety Office.*
