

UNIVERSITY OF MARYLAND SCHOOL OF DENTISTRY

SPECIAL CARE AND GERIATRICS CLINIC

650 West Baltimore Street Baltimore, Maryland 21201

The Special Care and Geriatrics Clinic provides quality oral health care to individuals with special health care needs and older adults.

Dental care is provided by dental students under the supervision of a dental faculty.

Fees for care are less than a general dental practice, and appointments are generally 1-3 hours in length.

If you would like additional information or would like to arrange an appointment, please call: **410. 706. 7039**
