

Vendor Stamp Replacement Guide

- A set of two stamps are provided to a new vendor by the program at no cost. However, it is the vendor's responsibility to replace the stamps in the event they are worn out, lost, or broken.
- A vendor may use any supplier (e.g., Office Depot, Staples, etc.) to replace the stamps as long as the new stamp meets the following specifications:

Verdana font 12 and 20 pitch-expanded spacing 2.0

Stamp base rubber size : 9/16" x 1 1/2" :

- Use of stamps not meeting the above specifications will result in rejection of your checks by our bank!
- For your reference, brand of the stamps initially provided is **IDEAL®50** which is a premium quality self-inking stamp from M&R Marking Systems Inc.
